## 2015 M&A Outlook and 2014 Year in Review

2015 is already starting off to be another active year as industry dynamics and technology solutions continue to evolve. Read more about this year's trends and the 2015 outlook from KippsDeSanto's senior team:

- [Bob Kipps & Marc Marlin discuss: What's ahead in 2015 M&A trends?](#)
- [KippsDeSanto & Co. MarketView Winter 2015](#)

KippsDeSanto & Co. is pleased to announce that the firm advised on 13 closed M&A transactions in 2014. We would like to thank all of our clients and colleagues for helping make 2014 a success.

We continue to focus on advising leading Aerospace/Defense and Technology companies, with particular transaction successes with companies in critical markets like Aerospace, C4ISR, Training & Simulation, Intel/Cyber, Health IT, Data Analytics, Cloud Computing, and Special Operations.

Don't forget to follow us on [LinkedIn](#) or [Twitter](#) to get the latest updates on industry trends and M&A transactions or contact one of our senior bankers to discuss our thoughts on current market opportunities. Please visit us at [www.kippsdesanto.com](http://www.kippsdesanto.com) for more information.
